scholar and philosopher jeffrey reid s latest monograph reason and revelation in hegel offers a new understanding of hegel s metaphysical thought centring on the absolute s self revelatory agency its unfolding through nature human thought and history structured in four sections the book explores absolute agency and the relationship between eternal truth and historical temporality how does absolute presence take place in art religion and philosophy finally questions of systematicity and meaning are engaged with reference to the big bang universe our experience of music and the question of what hegel s science leaves behind reason and revelation in hegel stands out in the landscape of hegelian studies where dominant trends often downplay metaphysical dimensions in favor of analytic materialist and secular interpretations rather than reducing hegel s religious ideas to cultural phenomena or aspirational human consciousness reid argues that the absolute is not a distant metaphysical object but an active performative force

within rational human striving itself in this view the failures of historical actuality become openings for philosophical truth shaped by and inseparable from eternal revelation

arbitration is the most common mechanism for disputes settlement in developing countries following the move to free market economies arbitration will play an increasingly fundamental role in order to protect foreign investors in the middle east and north african region mena this book examines the pulse and dynamics of international investment arbitration and the new era of mediation in state contracts in the region the author explores the harmonization of international arbitration and the sensitive issue of le contrat administratif in middle east civil law countries the volume also discusses the pivotal role of international organizations such as unctad and icsid in codifying fair and prompt mechanisms for dispute settlement using latin american countries as a prime example of how international legislative instruments serve international investment law principles and comparing latin american experiences where appropriate the book demonstrates how lessons can be learned in respect of alternative dispute resolution international commercial arbitration and investor states arbitration it provides suggestions and recommendations for the future and includes useful appendices detailing recent worldwide trends regional and international instruments in the arbitration world
