during his youth the boy who would become c s lewis formed his most basic impressions and tastes regarding music art literature religion sports friendship imagination education war and more the issues young jack lewis wrestled with drove him toward the foundation on which his life would be built his childhood interests influences longings struggles and even failures prepared him to engage his gifts as a writer teacher and friend lewis expert harry lee poe unfolds young jack s key relationships hobbies spiritual conflicts decisions desires and dreams along the way poe points out where these themes reappear in lewis s later works bringing to life the importance of his conversion and his surprising discovery of joy

in december 1863 civil war soldiers took refuge from the dismal conditions of war and weather they made their winter quarters in the piedmont region of central virginia the union s army of the potomac in culpeper county and the confederacy s army of northern virginia in neighboring orange county for the next six months the opposing soldiers eyed each other warily across the rapidan river in music along the rapidan james a davis examines the role of

music in defining the social communities that emerged during this winter encampment music was an essential part of each soldier's personal identity and davis considers how music became a means of controlling the acoustic and social cacophony of war that surrounded every soldier nearby music also became a touchstone for colliding communities during the encampment the communities of enlisted men and officers or northerners and southerners on the one hand and the shared communities occupied by both soldier and civilian on the other the music enabled them to define their relationships and their environment emotionally socially and audibly
