the rapids is an exploration of manic depression also known as bipolar disorder with reflections on artists such as carrie fisher kanye west saul bellow paul thomas anderson and spalding gray sam twyford moore takes readers on a literary and cultural tour of mania and what it means to live with a diagnosis of bipolarity in contemporary society he also looks at the condition in our digital world where someone s manic episode can unfold live in real time watched by millions his own story told unflinchingly is shocking and sometimes darkly comic it gives the book an edge that is not always comfortable but full of insight and empathy smart lively and well researched the rapids manages to be both a wild ride and introspective at once exploring a condition that touches thousands of people directly or indirectly

francio guadeloupe has lived in both the dutch antilles and the netherlands an anthropologist by vocation he is a keen observer by honed habit in his new book he wields both personal and anthropological observations simultaneously memoir and astute exploration black man in the netherlands charts guadeloupe s coming of age and adulthood in a dutch world and movingly makes a global contribution to the understanding of anti black racism guadeloupe identifies the intersections among urban popular culture racism and multiculturalism in youth culture in the netherlands and the wider dutch kingdom he probes the degrees to which traditional ethnic division collapses before a rising dutch polyethnicity what comes to light given the ethnic multiplicity that afro antilleans live is their extraordinarily successful work in forging an anti racist dutch identity via urban popular culture this alternative way of being dutch welcomes the black experience as global and increasingly local black artists find fame and even idolization black man in the netherlands is a vivid extension of renowned critical race studies by such marxist theorists as achille mbembe paul gilroy stuart hall and c l r james and it bears a palpable connection to such black atlantic artists as peter tosh juan luis guerra and krs one guadeloupe explores the complexities of black life in the netherlands and shows that within their means afro antilleans often effectively contest dutch racism in civic and work life

help them or tell them be like jesus or talk about jesus social action or gospel proclamation it seems the two are often pitted against each other as if they are mutually exclusive but the new testament paints a different picture where both aspects are valued in this plea for a renewed understanding of the christian calling chester argues that faithfulness to the gospel necessitates a commitment to evangelism and social involvement to that end he structures the book around three basic theses 1 evangelism and

social action are distinct activities 2 proclamation is central and 3 evangelism and social action are inseparable responding to christians in both camps chester helps people to talk the talk and walk the walk

in the aftermath of the last financial crisis on both sides of the atlantic banking supervisors were given new supervisory and enforcement powers which are often of a substantially punitive criminal nature in europe in particular the establishment of the single supervisory mechanism within the european central bank substantially increased centralised investigatory and sanctioning powers this major innovation together with the development of forms of real time monitoring of banking often digital records challenges traditional banking criminal investigations in their national based and analogue dimension the book offers a comprehensive account and perspective analysis of the interactions between the criminal and administrative nature of such new powers highlighting their punitive overall nature and their impact on fundamental rights covering both the us and the eu regulatory frameworks it presents unprecedented trans systemic research between criminal law and procedure and between regulatory and administrative law at the international european and national level the book also includes a rich and detailed selection of case law from the us and the european supreme courts with a specific focus on cjeu and ecthr decisions

this comprehensive handbook provides an authoritative source of information on global water and health suitable for interdisciplinary teaching for advanced undergraduate and postgraduate students it covers both developing and developed country concerns it is organized into sections covering hazards including disease chemicals and other contaminants exposure interventions intervention implementation distal influences policies and their implementation investigative tools and historic cases it offers 71 analytical and engaging chapters each representing a session of teaching or graduate seminar written by a team of expert authors from around the world many of whom are actively teaching the subject the book provides a thorough and balanced overview of current knowledge issues and relevant debates integrating information from the environmental health and social sciences
