a product of twenty five years of archival and primary research sounding our way home japanese american musicking and the politics of identity narrates the efforts of three generations of japanese americans to reach home through musicking using ethnomusicology as a lens susan miyo asai examines the musical choices of a population that historically is considered outside the racial and ethnic boundaries of american citizenship emphasizing the notion of national identity and belonging the volume provokes a discussion about the challenges of nation building in a democratic society asai addresses the politics of music interrogating the ways musicking functions as a performance of social cultural and political identification for japanese americans in the united states musicking is an inherently political act at the intersection of music identity and politics particularly if it involves expressing one s ethnicity and or race asai further investigates how japanese american ethnic identification and cultural practices relate to national belonging musicking cultivates a narrative of a shared history and aesthetic between performers and listeners the discourse situates not only japanese americans but all asians into the black white binary of race relations in the united states sounding our way home contributes to the ongoing struggle for acceptance and equal representation for people of color in the us a history of japanese american musicking across three generations the book unveils the social and political discrimination that nonwhite immigrants and their offspring continue to face

when it comes to finding acceptance in us society and culture

jon harris has lived breathed and drawn cambridge for over 50 years his architect s sense of structure and fabric his draughtsman s eye and vigorous use of pen and brush have produced an outstanding body of work in 1997 the fitzwilliam museum honoured him with an exhibition of some 90 paintings and drawings a great many of his best works are published for the fi rst time in artist about cambridge they include drawings from the more than 40 sketchbooks which have been his constant companions over the past half century jon harris s text describes in compelling detail how the images came into being harris s work is not a depiction of cambridge as the tourist might like to have it but is rather about his fascination with unregarded vistas its back streets crucial buildings lost to the wrecking ball and with the city s industrial past the artist s unrivalled knowledge and understanding of cambridge and its environs inform every painting and drawing helping you enjoy a thousand things you might otherwise miss
