nietzsche s critique of the modern subject is often presented as a radical break with modern philosophy and associated with the so called death of the subject in 20th century philosophy but nietzsche claimed to be a psychologist who was trying to open up the path for new versions and sophistications of the soul hypothesis although there is no doubt that nietzsche gave expression to a fundamental crisis of the modern conception of subjectivity both from a theoretical and from a practical existential perspective it is open to debate whether he wanted to abandon the very idea of subjectivity or only to pose the problem of subjectivity in new terms the volume includes 26 articles by top nietzsche scholars the chapters in part i tradition and

context deal with the relationship between nietzsche s views on subjectivity and modern philosophy as well as with the late 19th century context in which his thought emerged part ii the crisis of the subject examines the impact of nietzsche s critique of the subject on 20th century philosophy from freud to heidegger to dennett but also in such authors as deleuze foucault derrida or luhmann part iii current debates from embodiment and consciousness to agency shows that the way in which nietzsche engaged with such themes as the self agency consciousness embodiment and self knowledge makes his thought highly relevant for philosophy today especially for philosophy of mind and ethics

nietzsche is known as a severe critic of german idealism but what exactly is the relation between his thought and theirs and how does nietzsche s stance differ from the critique of idealism in kierkegaard and schopenhauer the papers from leading international specialists in german idealism schopenhauer kierkegaard and nietzsche address these questions the aim of the volume is to introduce novel ways of addressing the complex relations between nietzsche and his immediate philosophical predecessors schopenhauer kierkegaard hegel schelling fichte and kant the focus is on the profound interconnections and affinities between their ways of thinking each paper considers one particular aspect of nietzsche s philosophy such as his notion of spirit law power will his physiology or his critique of morality in relation to the above mentioned philosophers this largely systematic approach reveals surprising affinities between nietzsche and the german idealists despite their patent differences and generates new perspectives from which to understand and reinterpret nietzsche s thought contributors maria j branco danielle cohen levinas joao constancio carlos j correia katia hay lore hühn jose justo elisabetta marques j de sousa frederick neuhouser leonel r dos santos philipp schwab herman siemens
