the nordic chemicals agencies have jointly controlled the nordic market of give away products these products were controlled against the requirements of several eu legislations reach regulation toy safety directive rohs directive pops regulation and the battery directive the results show that economic operators lack knowledge of the applicable requirements as well as lacking understanding of the extent of their obligations they are missing appropriate systems to comply with the rules nevertheless the nordic chemicals agencies have observed an interest from business organisations to be better at understanding and complying with the applicable rules this joint enforcement project has also contributed to creating closer collaboration between the nordic chemicals agencies resulting in sharing more information and ensuring better resource efficiency

this volume brings together leading experts on the investigation litigation and scholarly analysis of innocence cases in america from legal political and ethical perspectives the contributors consider the challenges faced by the exoneration movement causes of wrongful convictions problems associated with investigating proving and defining innocence and theories of reform these issues are investigated from a multi disciplinary perspective and with the aim of improving the american criminal justice system when it is faced with its most harrowing sight an innocent defendant

what makes a magazine in south africa promote scandinavian unity among its immigrant readers and why does a swedish king endorse attempts to influence pan scandinavian opinion through a transnational media event in sweden norway and denmark can portraits of exotic lapplanders in the british press enthusiastic accounts of the welfare state in post war travel literature and descriptions of the liberal nordic woman as a metaphor for a freer

society in franco spain really be bundled together under a joint label of nordicness how is it that despite the variety of images of the nordic region that are circulating we still find this recurring idea of a shared nordic identity these are some of the questions the current volume seeks to answer covering the time period from the early nineteenth century up until the present and encompassing case studies from britain spain poland and south africa as well as from the nordic countries contributors to the volume investigate the images that have been presented of the nordic region in the media in and outside of the nordic countries how such images have been shaped by mechanisms of mediation and the channels through which they have been distributed the chapters address both specific cases such as media events and individual publications as well as the structural and institutional settings for mediating the nordic region

an anthropogenic table of elements provides a contemporary rethinking of dmitri mendeleev s periodic table of elements bringing together elemental stories to reflect on everyday life in the anthropocene concise and engaging this book provides stories of scale toxicity and temporality that extrapolate on ideas surrounding ethics politics and materiality that are fundamental to this contemporary moment examining elemental objects and forces including carbon mould cheese ice and viruses the contributors question what elemental forms are still waiting to emerge and what political possibilities of justice and environmental reparation they might usher into the world bringing together anthropologists historians and media studies scholars this book tests a range of possible ways to tabulate and narrate the elemental as a way to bring into view fresh discussion on material constitutions and thereby new ethical stances responsibilities and power relations in doing so an anthropogenic table of elements demonstrates through elementality that even the smallest and humblest stories are capable of powerful effects and vast journeys across time and space

there is serious concern about the impact of the changing climate the who regional office for the western pacific has taken the initiative in addressing health issues related to climate change but further action is needed to support efforts to confront climate change in member states and in various sectors health must be mainstreamed into efforts to address climate change and action must be coordinated and integrated across national boundaries and in all sectors this report synthesizes information and approaches on climate change and health pertinent to member states in the western pacific region it also examines efforts and initiatives by various experts and stakeholders with an in depth look at experiences in seven member states that reflect the diversity of the region finally it offers recommendations for policy makers
