initially perceived as a peripheral region belarus has played a crucial role in shaping historical narratives from the first world war to the cold war the activities of belarusian nationalists were central to the country s involvement in broader geopolitical struggles bound by exclusion and violence uses the lives of these nationalists as a lens to explore their motivations and collaborations with various states and intelligence agencies focusing on political activism armed resistance and covert espionage operations drawing from archival research in seven countries that shed light on local regional and global dynamics aleksandra pomiecko reveals belarus s active role in key ideological military and political conflicts the book offers a fresh perspective on the country s historical significance and its impact on major global events of the twentieth century in today s era of heightened geopolitical awareness bound by exclusion and violence highlights belarus s complex history and its continued relevance in contemporary discussions of political agency and international power dynamics

all over the world young people are demanding action to protect our planet in 2020 a new global deal for nature and people will be adopted setting targets for the protection and conservation of the planet s biodiversity and ecosystems it is of crucial importance that

the voices of young people are heard when these new targets are set as this will affect not only the present generation but also future generations and their livelihoods in the nordic region we want to make sure that the voices of the young people will be heard and therefore we have developed this toolkit for involving young people in setting new targets for the protection and sustainable use of biodiversity and ecosystems thereby securing a new global deal for nature and people the toolkit is made available to young people and those who want to engage young people in the development of a new global deal for nature and people anyone who wishes to arrange facilitate and engage in youth consultations is invited to use the toolkit the results can be communicated to decision makers the public and other relevant institutions and will be part of a bigger movement of youth around the world the aim is to support young people youth organisations and other interested groups in their facilitation of discussions on key issues relating to a new deal for nature and people and to ensure the credibility of the results from the youth workshop the toolkit has been developed in close corporation with the nordic council and the nordic council of ministers in close corporation with young people from the nordic countries

today thanks to the work of a brilliant young doctor blood banks and successful blood transfusions are commonplace dr charles drew s pioneering research with blood plasma and storage made this possible at a time of crippling racial segregation and prejudice drew proved that black doctors were equal to white doctors during world war ii he created the first large scale system for preserving blood shipping seventeen thousand pints overseas for soldiers in great britain since then millions of men women and children worldwide owe their lives to his work in this page turning account author anne schraff demystifies drew s extraordinary research and dispels the false rumors around his tragic and untimely death

in the 1980s willis mcglascoe carter s handwritten memoir turned up unexpectedly in the hands of a midwestern antiques dealer its twenty two pages told a fascinating story of a man born into slavery in virginia who at the onset of freedom gained an education became a teacher started a family and edited a newspaper even his life as a slave seemed exceptional he described how his owners treated him and his family with respect and he learned to read and write tucked into its back pages the memoir included a handwritten tribute to carter written by his fellow teachers upon his death robert heinrich and deborah harding s from slave to

statesman tells the extraordinary story of willis m carter s life using carter s brief memoir one of the few extant narratives penned by a former slave as a starting point heinrich and harding fill in the abundant gaps in his life providing unique insight into many of the most important events and transformations in this period of southern history carter was born a slave in 1852 upon gaining freedom after the civil war carter like many former slaves traveled in search of employment and education he journeyed as far as rhode island and then moved to washington dc where he attended night school before entering and graduating from wayland seminary he continued on to staunton virginia where he became a teacher and principal in the city s african american schools the editor of the staunton tribune a leader in community and state civil rights organizations and an activist in the republican party carter served as an alternate delegate to the 1896 republican national convention and later he helped lead the battle against virginia s new state constitution which white supremacists sought to use as a means to disenfranchise blacks as part of that campaign carter traveled to richmond to address delegates at the constitutional convention serving as chairman of a committee that advocated voting rights and equal public education for african americans although carter did not live to see virginia adopt its new jim crow constitution he died knowing that he had done all in his power to stop it from slave to statesman fittingly resurrects carter s all but forgotten story adding immeasurably to our understanding of the journey that he and men like him took out of slavery into a world of incredible promise and powerful disappointment
