an introduction to the theology and themes of 2 corinthians by dane c ortlund best known for its interpersonal emotionally raw and pastorally distressed tone 2 corinthians is one of paul s most distinctive epistles in this letter to his complicated church in corinth paul aims to expand on the deeply paradoxical nature of the christian life the importance of understanding this key doctrine makes 2 corinthians an ideal study for believers today in this volume of the new testament theology series bestselling author dane ortlund explores 2 corinthians to reveal the core arguments presented by paul through clear and engaging theological examinations ortlund expounds two predominant themes inaugurated eschatology and strength through weakness and connects various other motifs traced throughout this epistle readers will learn how christ s resurrection ushered in the new realm one where life and ministry are flipped upside down and god s power is intertwined with human weakness part of the new testament theology series other volumes include the joy of hearing united to christ walking in the spirit the beginning of the gospel and more ideal for anyone wanting to study the bible more deeply perfect for pastors seminarians college students and laypeople written by dane c ortlund pastor and bestselling author of gentle and lowly the heart of christ for sinners and sufferers and deeper real change for real sinners

winner of the goldsmith book prize winner of the aejmc history division book award winner of the ajha book of the year winner of the culbert family book prize manipulating the masses tells the story of the enduring threat to american democracy that arose out of world war i the establishment of pervasive systematic propaganda as an instrument of the state during the great war the federal government exercised unprecedented power to shape the views and attitudes of american citizens its agent for this was the committee on public information cpi established by president woodrow wilson

one week after the united states entered the war in april 1917 driven by its fiery chief george creel the cpi reached every crevice of the nation every day and extended widely abroad it established the first national newspaper made prepackaged news a quotidian aspect of governing and pioneered the concept of public diplomacy it spread the wilson administration s messages through articles cartoons books and advertisements in newspapers and magazines through feature films and volunteer four minute men who spoke during intermission through posters plastered on buildings and along highways and through pamphlets distributed by the millions it enlisted the nation s leading progressive journalists advertising executives and artists it harnessed american universities and their professors to create propaganda and add legitimacy to its mission even as creel insisted that the cpi was a conduit for reliable fact based information the office regularly sanitized news distorted facts and played on emotions creel extolled transparency but established front organizations overseas the cpi secretly subsidized news organs and bribed journalists at home it challenged the loyalty of those who occasionally questioned its tactics working closely with federal intelligence agencies eager to sniff out subversives and stifle dissent the cpi was an accomplice to the wilson administration s trampling of civil liberties until now the full story of the cpi has never been told john maxwell hamilton consulted over 150 archival collections in the united states and europe to write this revealing history which shows the shortcuts to open honest debate that even well meaning propagandists take to bend others to their views every element of contemporary government propaganda has antecedents in the cpi it is the ideal vehicle for understanding the rise of propaganda its methods of operation and the threat it poses to democracy

create your own bunny fashion icon if you re into sewing super cute softies with big personalities this book might just be up your alley a gem studio ihanna in this charming book you will learn how to sew your own felt rabbit along with her exquisite wardrobe including twenty garment and accessory sewing patterns all the clothes are made using the finest fabrics including wool felt lace and liberty print cotton choose from a perfectly tailored wool coat matching tweed skirt and bag or pretty lace set not forgetting the accessories there are bunny boots pajamas and even tiny french knickers to create the patterns are suitable for a range of abilities the basic rabbit and simple items are suitable for beginners but the more tailored pieces are for more experienced sewers the level of each pattern is identified and all the patterns are full size luna was designed to be passed down by generations as a very special heirloom toy the cutest of heirloom hares the book is a little treasure it s beautifully photographed throughout and contains some sweet stories sew sarah smith

joanna newsom will oldham a k a bonnie prince billy and devendra banhart are perhaps the best known of a generation of independent artists who use elements of folk music in contexts that are far from traditional these and other so called new

folk artists challenge our notions of finished product through their recordings intrinsically guided by practices and rhetoric inherited from punk this book traces a fractured trajectory that includes harry smith s anthology of american folk music bob dylan psych folk of the sixties from vashti bunyan to john fahey lo fi and outsider recordings from captain beefheart and the residents to jandek daniel johnston and smog and recent experimental folk animal collective six organs of admittance charalambides to contextualise the first substantial consideration of new folk in the process encarnacao reviews the literature on folk and punk to argue that tropes of authenticity though constructions carry considerable power in the creation and reception of recorded works new approaches to music require new analytical tools and through the analysis of some 50 albums encarnacao introduces the categories of labyrinth immersive and montage forms this book makes a compelling argument for a reconsideration of popular music history that highlights the eternal compulsion for spontaneous imperfect and performative recorded artefacts

james still 1906 2001 first achieved national recognition in the 1930s as a poet and he remains one of the most beloved and important writers in appalachian literature though he is best known for the seminal novel river of earth which time magazine called a work of art and which is often compared to john steinbeck s the grapes of wrath as a poignant literary exploration of the great depression still is also recognized as a significant writer of short fiction his stories were frequently published in outlets such as the atlantic and the saturday evening post and won numerous awards including the o henry memorial prize in the definitive biography of the man known as the dean of appalachian literature carol boggess offers a detailed portrait of still despite his notable output and importance as a mentor to generations of young writers still was extremely private preferring a quiet existence in a century old log house between the waters of wolfpen creek and dead mare branch in knott county kentucky boggess who befriended the author in the last decade of his life draws on correspondence journal entries numerous interviews with still and his family and extensive archival research to illuminate his somewhat mysterious personal life james still a life explores every period of still s life from his childhood in alabama through the years he spent supporting himself in various odd jobs while trying to build his literary career to the decades he spent fostering other talents this long overdue biography not only offers an important perspective on the author s work and art but also celebrates the legacy of a man who succeeded in becoming a legend in his own lifetime
